Overview

In fiscal year (FY) 2010, the Court Appointed Special Advocates (CASA) Membership and Accreditation Continuation Program will fund a national membership, accreditation, and subgrant program for state and local CASA programs. The award for this program was made through a competitive process in 2009 for a multi-year project period with annual supplemental funding. The Office of Justice Programs determined that the project period for this program would be 3 years. FY 2010 is year 2 of the project period.

CASA programs provide timely, sensitive, and effective advocacy to abused and neglected children involved in dependency proceedings. The funding will enable the applicant to provide services to a national membership body, to implement standards for program accreditation, and to issue subgrants to qualified and certified state and local CASA organizations. This program is authorized under the Victims of Child Abuse Act, 42 U.S.C. Section 13013.

Deadlines: Registration and Application

**How To Apply**

Applications should be submitted through [GMS](http://www.ojp.usdoj.gov/gmscbt/), a Web-based, data-driven system for the application, award, and management of OJP grants. Applicants should begin the process immediately to meet the GMS registration deadline, especially if this is the first time they have used the system. Complete instructions on how to register and submit an application in GMS can be found at [www.ojp.usdoj.gov/gmscbt/](http://www.ojp.usdoj.gov/gmscbt/). Applicants who experience technical difficulties at any point during this process should e-mail [GMSHelpDesk@usdoj.gov](mailto:GMSHelpDesk@usdoj.gov) or call 1-888-549-9901 (option 3), Monday–Friday, 6:00 a.m. to 12:00 a.m., Eastern Time. OJJDP recommends that
applicants register as early as possible to avoid delays in submitting their applications by the deadline.

All applicants are required to complete the following steps:

1. **Acquire a DUNS Number.** An application must have a DUNS number to be submitted in GMS. The Office of Management and Budget requires that all businesses and nonprofit applicants for federal funds include a DUNS (Data Universal Numbering System) number in their application for a new award or renewal of an existing award. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and tracking entities receiving federal funds. The identifier is used to validate address and point of contact information for federal assistance applicants, recipients, and subrecipients. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a free, one-time activity. Call 1–866–705–5711 or apply online at www.dunandbradstreet.com to obtain a DUNS number. Individuals are exempt from this requirement.

2. **Acquire or Renew Registration with the Central Contractor Registration (CCR) Database.** OJP requires all applicants (other than individuals) for federal financial assistance to maintain a current registration in the CCR database to receive funding. The CCR database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. Organizations that have previously submitted applications via Grants.gov are already registered with CCR, as it is a requirement for Grants.gov registration. Applicants must update or renew their CCR registration at least once per year to maintain an active status. Information about CCR registration procedures can be accessed at www.ccr.gov.

3. **Acquire a GMS Username and Password.** If you are a new user, select the first time user link under the sign-in box of the GMS home page to create a GMS profile. For more information on how to register in GMS, go to www.ojp.usdoj.gov/gmscbt/.

4. **Search for the Funding Opportunity on GMS.** After you log in to GMS or complete your GMS profile for your username and password, go to the Funding Opportunities link on the left side of the page. Select OJJDP and the OJJDP FY 10 Court Appointed Special Advocates (CASA) Membership and Accreditation Continuation Program.

5. **Select the Apply Online Button Associated with the Solicitation Title.** The search results from step 4 will display the solicitation title along with the Registration and Application Deadlines for this funding opportunity. Select the Apply Online button in the Action Column to create an application in the system.

6. **Submit an Application Addressing the Requirements Outlined in this Solicitation by Following the Directions in GMS.** Once you have submitted your application, GMS will display a confirmation screen stating your submission was successful. **Important:** OJP urges applicants to submit their applications at least 72 hours prior to the due date.

Unforeseen GMS Technical Issues

If you experience unforeseen Grants.gov technical issues beyond your control that prevent you from submitting your application by the deadline, you must contact OJJDP staff within 24 hours after the deadline and request approval to submit your application. At that time, OJJDP staff will require you to e-mail the complete grant application, your DUNS number, and a GMS Help Desk tracking number(s). After OJJDP reviews the information you submit and contacts the GMS Helpdesk to validate the technical issues you reported, OJJDP will contact you to inform you whether your request to submit a late application has been approved. If the technical issues you reported cannot be validated, OJJDP will reject your application for failing to meet the deadline.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time; (2) failure to follow GMS instructions on how to register and apply as posted on its Web site; (3) failure to follow all of the instructions in the solicitation; and (4) technical issues experienced with the applicant’s computer or information technology environment.

Notifications regarding known technical problems with GMS are posted on the OJP funding Web page (www.ojp.usdoj.gov/funding/solicitations.htm).

What an Application Must Include

OJP recommends using appropriately descriptive file names (e.g., “Program Narrative,” “Budget and Budget Narrative,” “Timelines,” “Memoranda of Understanding,” “Resumés”) for all required attachments. Where resumés are required, OJP recommends that all resumés be included in a single file.

Standard Form-424

See www07.grants.gov/assets/SF424Instructions.pdf for instructions on how to complete your SF-424. If the applicant is a for-profit entity, select "For-Profit Organization" or "Small Business" (as applicable) in the Type of Applicant 1 data field. For-profit applicants also may select additional applicable categories (e.g., "Private Institution of Higher Education").

Program Narrative

Applicants must submit a program narrative that presents a detailed description of the purpose, goals, objectives, strategies, design, and management of the proposed program. The program narrative must be double-spaced with 1-inch margins, not exceeding 30 pages of 8½ by 11 inches, and use a standard 12-point font, preferably Times New Roman. Pages must be numbered “1 of 30,” etc. The project abstract, tables, charts, pictures, etc., including all captions, legends, keys, subtext, etc., may be single-spaced, and will count in the 30-page limit. Material required under the “Budget and Budget Narrative” and “Other Attachments” sections will not count toward the program narrative page count. OJJDP may reject applications that are incomplete, do not respond to the scope of the solicitation, or fail to comply with ALL format requirements.

The program narrative must address the following selection criteria: (1) statement of the problem/program narrative, (2) impact/outcomes and evaluation/performance measures, (3)
project/program design and implementation, and (4) capabilities/competencies. The connections between and among each of these sections must be clearly delineated. For example, the goals and objectives must derive directly from the problems to be addressed. Similarly, the project design section must clearly explain how the program’s structure and activities will accomplish the goals and objectives identified in the previous section.

- **Statement of the Problem/Program Narrative**

Applicants must briefly describe the nature and scope of the problem that the program will address (e.g., gang activity, underage drinking, drug abuse, truancy, youth employment, school performance, etc.). The applicant should use data to provide evidence that the problem exists, demonstrate the size and scope of the problem, and document the effects of the problem on the target population and the larger community. Applicants should describe any previous or current attempts to address the problem.

Applicants should describe any research or evaluation studies that relate to the problem and contribute to the applicant’s understanding of its causes and potential solutions. While OJJDP expects applicants to review the research literature for relevant studies, they should also explore whether unpublished local sources of research or evaluation data are available.

**Project Abstract.** A project abstract must be included as the first page of the Program Narrative, and is included in the page limitation specified above. It must not exceed 200 words and briefly describe the project’s purpose, identify the population to be served, and summarize the activities that will be implemented to achieve the project’s goals and objectives. These goals and objectives must focus on short-term and intermediate outcomes (see “Performance Measures Requirements,” below). The abstract must describe how progress towards these goals will be measured.

- **Performance Measures Requirements**

Applicants must describe the goals of the proposed program and identify its objectives. When formulating the program’s goals and objectives, applicants must be cognizant of the performance measures that will be required of successful applicants.

**Goals.** Applicants must describe the program’s intent to change, reduce, or eliminate the problem noted in the previous section and outline the project’s goals.

**Program Objectives.** Applicants must explain how the program will accomplish its goals. Objectives are specific, quantifiable statements of the project’s desired results. The applicant must clearly link objectives to the problem identified in the preceding section, and they must be measurable.

**Performance Measures.** Award recipients are required to report data in support of mandated performance measures for this solicitation (see “Performance Measures,” page 5.) Applicants must describe the steps they will take to assemble the information needed to comply with OJJDP’s performance measures reporting requirements. Award recipients will be encouraged to use information from existing program records to fulfill performance measures reporting requirements, rather than initiating new data collection activities for this purpose. To ensure confidentiality of program records, award recipients will also be required to submit a completed Privacy Certificate post-award. (See [www.ojjdp.ncjrs.gov/grantees/pm/faq.html](http://www.ojjdp.ncjrs.gov/grantees/pm/faq.html) for more Information).
• **Project/Program Design and Implementation**

Applicants must detail how the project will operate throughout the funding period and describe the strategies that they will use to achieve the goals and objectives identified in the previous section. OJJDP encourages applicants to select evidence-based practices for their programs and adopt a project design that will facilitate the gathering of data on the required performance measures.

This section should also include details regarding any leveraged resources (cash or in-kind) from local sources to support the project and discuss plans for sustainability beyond the grant period.

Applicants should identify any other federal, state, or private foundation grants that serve the same local area and target population.

• **Capabilities/Competencies**

Applicants must describe the roles and responsibilities of project staff and explain the program’s organizational structure and operations.

This section of the program narrative must describe how the applicant will manage and staff the project. The applicant must clearly and evidently connect the management and staffing patterns to the project design described in the previous section. This section must describe the experience and capability of the applicant’s organization and any contractors that will be used to effectively implement and manage this effort and its associated federal funding, highlighting any previous experience implementing projects of similar design or magnitude.

**Budget and Budget Narrative**

Applicants must provide a budget that (1) is complete, allowable, and cost effective in relation to the proposed activities; (2) shows the cost calculations demonstrating how the applicant arrived at the total amount requested; and (3) provides a brief supporting narrative to link costs with project activities. The budget should cover the entire award period.

• **Budget Worksheet**

The worksheet must provide the detailed computation for each budget line item, listing the cost of each item and showing how it was calculated. For example, costs for personnel must show the annual salary rate and the percentage of time devoted to the project for each employee paid through grant funds. The budget worksheet must present a complete and detailed itemization of all proposed costs.

A sample budget worksheet can be found at [www.ojp.gov/funding/forms/budget_detail.pdf](http://www.ojp.gov/funding/forms/budget_detail.pdf). If you submit a different format, the applicant must include the budget categories as listed in the sample budget worksheet.
• **Budget Narrative**

The budget narrative must describe each budget item and relate it to the appropriate project activity. It must closely follow the content of the budget worksheet and justify all proposed costs listed in the budget worksheet (particularly supplies, travel, and equipment) and demonstrate that they are reasonable. In the budget narrative, applicants must explain how they calculated fringe benefits, how they estimated travel costs, why they must purchase particular items of equipment or supplies, and how they calculated overhead or indirect costs, if applicable.

Consult the OJP Financial Guide (www.ojp.gov/financialguide/index.htm) for questions pertaining to budget including allowable and unallowable costs at.

**Indirect Cost Rate Agreement**

Applicants that would like to establish a federally negotiated indirect cost rate must submit a proposal to their cognizant federal agency. Generally, the cognizant federal agency is the agency that provides the preponderance of direct federal funding. This can be determined by reviewing an organization’s schedule of federal financial assistance. If DOJ is your cognizant federal agency, obtain information needed to submit an indirect cost rate proposal at www.ojp.usdoj.gov/funding/pdfs/indirect_costs.pdf.

**Plan for Collecting the Data Required for Performance Measures.** (See "Performance Measures," page 5.)

**Review Process**

OJP is committed to ensuring a fair and open process for awarding grants. OJJDP reviews the application to make sure that the information presented is reasonable, understandable, measurable, and achievable, as well as consistent with basic minimum program or legislative requirements as stated in the solicitation (including, but not limited to, requirements as to timeliness, proper format, and responsiveness to the scope of the solicitation).

Absent explicit statutory authorization or written delegation of authority to the contrary, the Assistant Attorney General will make all final grant award decisions.

**Additional Requirements**

Applicants selected for awards must agree to comply with additional legal requirements upon acceptance of an award. We strongly encourage you to review the information pertaining to these additional requirements prior to submitting your application. Additional information for each can be found at www.ojp.usdoj.gov/funding/other_requirements.htm.
