Overview

The VOCA Regional Children’s Advocacy Centers competitive program supports four (4) Regional Children’s Advocacy Centers (RCACs), one situated within each of the four (4) U.S. Census regions, that will work to (1) develop multidisciplinary teams, local children’s advocacy center programs, and state chapter organizations that respond to child abuse and neglect; and (2) strengthen existing multidisciplinary teams, child advocacy center programs, and state chapter organizations through the delivery of training and technical assistance.

As authorized by the Victims of Child Abuse Act, the Office of Juvenile Justice and Delinquency Prevention (OJJDP) first awarded grants in 1995 through a competitive selection process to establish four RCACs. Fiscal Year 2009 (FY09) was the final year of the third 5-year project period. OJJDP is issuing this program announcement to invite applications for a fourth 5-year project period. This program is authorized under the Victims of Child Abuse Act (VOCA Act), 42 U.S.C. Section 13001b.

Deadlines: Registration and Application
Registration is required prior to submission. The deadline to register in GMS is 1 p.m. eastern time on May 20, 2010 and the deadline for applying for funding under this announcement is 3 p.m. eastern time on May 20, 2010. Please see the “How to Apply” section, page 8, for more details.

Eligibility

OJJDP invites applications from local public and private nonprofit children’s advocacy center agencies and organizations that can demonstrate the following requirements:

1. operation of a children’s advocacy center (CAC) with current accredited membership status in the National Children’s Alliance
2. multidisciplinary staff experienced in providing a broad continuum of coordinated services to child victims of abuse and neglect and non-offending family members
3. minimum of 5 years of experience providing regional or national training and technical assistance to developing or established multidisciplinary teams and CACs
4. minimum of 5 years experience providing regional or national training and technical assistance to a wide range of multidisciplinary professionals and others with respect to the judicial handling of child abuse and neglect.
Joint applications from two or more eligible applicants are welcome; however, one applicant must be clearly indicated as the primary applicant (for correspondence, award, and management purposes) and the others indicated as co-applicants.

Program-Specific Information

- **Purpose**

Based on findings that include a recognition of a national need to enhance coordination among community agencies and professionals responding to child abuse and neglect, the Victims of Child Abuse Act, Section 6 of Public Law 102–586, codified at 42 U.S.C. 13001 et seq., became law in 1992. The Act provides for the establishment of four Regional Children’s Advocacy Centers for purposes of providing information, technical assistance, and training to assist communities in establishing facility-based multidisciplinary programs responding to child abuse, particularly CACs.

Within a targeted U.S. Census region, the awardee will operate a regional training and technical assistance program designed to develop and strengthen multidisciplinary team investigation and response to child abuse, local CACs, and state chapter organizations of CACs.

The states included in each of the four U.S. Census regions are listed below:

- **Northeast Region**: Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, and Vermont
- **Southern Region**: Alabama, Arkansas, Delaware, District of Columbia, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, and West Virginia
- **Midwest Region**: Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota, and Wisconsin

- **Goals, Objectives, and Deliverables**

The program’s objective is to provide a full complement of training, technical assistance, and information services to developing and established multidisciplinary teams, local CACs, and state chapter organizations of CACs.

Pursuant to the Victims of Child Abuse Act, as amended (42 U.S.C. 13001, et seq.), the four (4) RCACs were established to:

- focus attention on child victims by assisting communities in developing child-focused, community-oriented, facility-based programs designed to improve the resources available to children and families
• provide support for nonoffending family members

• enhance coordination among community agencies and professionals involved in the intervention, prevention, prosecution, and investigation systems that respond to child abuse cases

• train physicians and other healthcare and mental healthcare professionals in the multidisciplinary approach to child abuse.

Regional Children’s Advocacy Centers provide (a) training and technical assistance to assess community readiness and to assist in developing and strengthening the multidisciplinary approach to the investigation, prosecution, and treatment of child abuse cases; (b) increase the number of communities utilizing the Children’s Advocacy Center model; and (c) work to develop and strengthen state chapter organizations of Children’s Advocacy Centers.

To achieve its goal, OJJDP has established the following objectives to support multidisciplinary teams that respond to child abuse and neglect, children’s advocacy centers, and state chapter organizations of children’s advocacy centers:

• providing training opportunities

• providing technical assistance

• developing publications and other resources

• coordinating the activities of VOCA programs.

The successful applicant will develop plans for achieving the above objectives by designing and implementing the following activities:

• training sessions for multidisciplinary teams, children’s advocacy centers, and state chapter organizations of children’s advocacy centers. The applicant will propose the topics and type of training, quantity and scale of proposed events, intended audience, and method of delivery of training sessions. The applicant should identify trainers with relevant expertise and audiences with significant need. The applicant should demonstrate areas of specialized expertise and experience in managing large-scale training events. The applicant will include plans for evaluating training sessions to include measuring changes in participants’ knowledge, attitude, and behavior.

• technical assistance for multidisciplinary teams, children’s advocacy centers, and state chapter organizations of children’s advocacy centers. Applicants should provide their assessment of development within the region, and proposed criteria for determining jurisdictions where it intends to devote particular project resources.

• publications and other resources to enhance the coordinated multidisciplinary response to child abuse. The applicant will indicate the topics, types, quantity, audiences, and schedule
for the proposed publications or other resources, with publication and dissemination at the
discretion of OJJDP.

- methods to increase coordination among VOCA programs.

OJJDP will assign major tasks and deliverables under this solicitation on the basis of a review of
the submitted application.

Successful operation of the RCACs program requires significant coordination and collaboration.
To achieve the necessary level of coordination, OJJDP will require each of the four successful
applicants to work in close partnership with each other and with other programs funded under
the VOCA Act. These programs include the National Children’s Alliance, the National Children’s
Advocacy Center, and the National Center for Prosecution of Child Abuse. Each RCAC
awardee will be required by OJJDP to work under a memorandum of understanding outlining
the respective roles and responsibilities of each of the VOCA-funded programs.

**Amount and Length of Awards**

OJJDP will make four awards through cooperative agreements for up to $1,250,000 each for a
1-year period. The awards will be renewable for a period not to exceed four additional years.
OJJDP will competitively select one applicant from each of the four U.S. Census regions
(Northeast, South, Midwest, and West).

OJJDP will enter into a cooperative agreement with each of the selected applicants. In
furtherance of the goals and objectives described above, OJJDP's role will include the following:

- reviewing and approving major work plans, including changes to such plans, and key
decisions pertaining to project operations

- reviewing and approving major project-generated documents and materials used in the
provision of project services.

- providing guidance in significant project planning meetings and participating in project
sponsored training events or conferences.

- reviewing and approving any proposed solicitations prior to release or publication.

**All awards are subject to the availability of appropriated funds and any modifications or
additional requirements that may be imposed by law.**

**Budget Information**

**Limitation on Use of Award Funds for Employee Compensation; Waiver.** With respect to
any award of more than $250,000 made under this solicitation, federal funds may not be used to
pay total cash compensation (salary plus bonuses) to any employee of the award recipient at a
rate that exceeds 110% of the maximum annual salary payable to a member of the Federal
Government’s Senior Executive Service (SES) at an agency with a Certified SES Performance
Appraisal System for that year. (The 2010 salary table for SES employees is available at
A recipient may compensate an employee at a
higher rate, provided the amount in excess of this compensation limitation is paid with non-
federal funds. (Any such additional compensation will not be considered matching funds where
match requirements apply.)

The limitation on compensation rates allowable under an award may be waived on an individual
basis at the discretion of the Assistant Attorney General (AAG) for the Office of Justice
Programs. An applicant that wishes to request a waiver must include a detailed justification in
the budget narrative of its application. Unless the applicant submits a waiver request and
justification with the application, the applicant should anticipate that OJP will request that the
applicant adjust and resubmit their budget.

The justification should include the particular qualifications and expertise of the individual, the
uniqueness of the service being provided, the individual’s specific knowledge of the program or
project being undertaken with award funds, and a statement explaining that the individual’s
salary is commensurate with the regular and customary rate for an individual with his/her
qualifications and expertise, and for the work that is to be done.

**Match Requirement.** Match is not required for this program.

**Research, Human Subjects, IRB Review, and Confidentiality**

All applicants for OJP funds are advised that the Department of Justice defines research as “a
systematic investigation, including research development, testing, and evaluation, designed to
develop or contribute to generalizable knowledge.” 28 C.F.R. § 46.102(d). If OJP determines
that a funded application involves research and includes human subjects, the approval of an
Institutional Review Board (IRB) might be required before OJP funds may be spent for these
purposes. If an application includes an evaluation component, that component will be examined
by OJP to determine whether it meets the definition of “research.” All applications should be as
clear as possible in describing the purpose of the evaluation, and the extent to which its findings
may contribute to generalizable knowledge.

The protection of human subjects of OJP-sponsored research is of critical importance. If an
application involves human subjects of research, it must explain whether IRB approval has been
or will be obtained, and it must explain applicant’s procedures for obtaining informed consent
and minimizing risks.

All applications that include a research or statistical component that collects information
identifiable to a private person will be required to complete and submit to OJP a privacy
certification.

For further guidance regarding Federal regulations regarding research, human subjects
protection, and confidentiality, please see the OJP website
(http://www.ojp.usdoj.gov/funding/other_requirements.htm).
Performance Measures

To assist in fulfilling the Department’s responsibilities under the Government Performance and Results Act (GPRA), P.L. 103-62, applicants who receive funding under this solicitation must provide data that measures the results of their work. Additionally, applicants must discuss in their application their methods for collecting data for performance measures. Please refer to “What An Application Must Include” (below), for additional information on applicant responsibilities for collecting and reporting data. Grantees are required to provide the data requested in the “Data Grantee Provides” column so that OJP can calculate values for the “Performance Measures” column. Performance measures for this solicitation are as follows:

How to Apply

Applications will be submitted through OJP’s Grants Management System (GMS). GMS is a Web-based, data-driven computer application that provides cradle to grave support for the application, award and management of grants at OJP. Applicants should begin the process immediately to meet the GMS registration deadline, especially if this is the first time they have used the system. Complete instructions on how to register and submit an application in GMS can be found at www.ojp.usdoj.gov/gmscbt/. If you experience technical difficulties at any point during this process, please e-mail GMSHelpDesk@usdoj.gov or call 1–888–549–9901 (option 3), Monday–Friday from 6:00 a.m. to midnight p.m. eastern time, except Federal holidays. The Office of Justice Programs highly recommends starting the registration process as early as possible to prevent delays in the application submission by the specified deadline.

All applicants are required to complete the following steps:

1. **Acquire a DUNS Number.** A DUNS number is required to submit an application in GMS. The Office of Management and Budget requires that all businesses and nonprofit applicants for Federal funds include a DUNS (Data Universal Numbering System) number in their application for a new award or renewal of an existing award. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities receiving federal funds. The identifier is used for tracking purposes and to validate address and point of contact information for federal assistance applicants, recipients, and subrecipients. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a free, one-time activity. Obtain a DUNS number by calling 1–866–705–5711 or by applying online at www.dnb.com. Individuals are exempt from this requirement.

2. **Acquire or Renew Registration with the Central Contractor Registration (CCR) Database.** CCR registration is required to receive funding. OJP requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the Central Contractor Registration (CCR) database. The CCR database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. Organizations that have previously submitted applications via Grants.gov are already registered with CCR, as it is a requirement for Grants.gov registration. Please note, however, that applicants must update or renew their CCR registration at least once per year to maintain an active status. Information about CCR registration procedures can be accessed at www.ccr.gov.

3. **Acquire a GMS Username and Password.** If you are a new user, please create a GMS profile by selecting the first time user link under the sign-in box of the GMS home page. For more information on how to register in GMS, go to www.ojp.usdoj.gov/gmscbt/.

4. **Search for the Funding Opportunity on GMS.** After you log in to GMS or complete your GMS profile for your username and password, go to the Funding Opportunities link...
on the left hand side of the page. Please select OJJDP and the OJJDP FY 2010 VOCA Regional Children’s Advocacy Centers Program.

5. **Select the Apply Online Button Associated with the Solicitation Title.** The search results from step 4 will display the solicitation title along with the Registration and Application Deadlines for this funding opportunity. Please select the Apply Online button in the Action Column to create an application in the system.

6. **Submit an Application Addressing All of the Requirements Outlined in this Solicitation by Following the Directions in GMS.** Once submitted, GMS will display a confirmation screen stating your submission was successful. **Important:** You are urged to submit your application at least 72 hours prior to the due date of the application.

**GMS Technical Issues**

If you experience unforeseen GMS technical issues beyond your control which prevent you from submitting your application by the deadline, you must contact OJJDP staff within 24 hours after the deadline and request approval to submit your application. At that time, OJJDP staff will require you to e-mail the complete grant application, your DUNS number, and provide all GMS Help Desk tracking numbers. After the program office reviews all of the information submitted, and contacts the GMS Helpdesk to validate the technical issues you reported, OJP will contact you to either approve or deny your request to submit a late application. If the technical issues you reported cannot be validated, your application will be rejected as untimely.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time; (2) failure to follow GMS instructions on how to register and apply as posted on its Web site; (3) failure to follow all of the instructions in the OJP solicitation; and (4) technical issues experienced with the applicant’s computer or information technology environment.

Notifications regarding known technical problems with GMS are posted on the OJP funding Web page, [www.ojp.usdoj.gov/funding/solicitations.htm](http://www.ojp.usdoj.gov/funding/solicitations.htm).

**What an Application Must Include**

OJP strongly recommends use of appropriately descriptive file names (e.g., “Program Narrative,” “Budget and Budget Narrative,” “Timelines,” “Memoranda of Understanding,” “Resumes”) for all required attachments. Where resumes are required, OJP recommends that all resumes be included in a single file.

**Standard Form 424**

Please see [www07.grants.gov/assets/SF424Instructions.pdf](http://www07.grants.gov/assets/SF424Instructions.pdf) for instructions on how to complete your SF424. When selecting "type of applicant," if the applicant is a for-profit entity, please
select "For-Profit Organization" or "Small Business" (as applicable) in the Type of Applicant 1 data field. For-profit applicants also may select additional applicable categories (e.g., "Private Institution of Higher Education").

Program Narrative

Applicants must submit a program narrative that presents a detailed description of the purpose, goals, objectives, strategies, design, and management of the proposed program. The program narrative must be double-spaced with 1-inch margins, not exceeding 30 pages of 8½ by 11-inches, and use a standard 12-point font, preferably Times New Roman. Pages must be numbered “1 of 30,” etc. The project abstract, tables, charts, pictures, etc., including all captions, legends, keys, subtext, etc., may be single-spaced, and will count in the 30 page limit. Material required under the “Budget and Budget Narrative” and “Other Attachments” sections will not count toward the program narrative page count. OJJDP may reject applications that are incomplete, do not respond to the scope of the solicitation, or fail to comply with ALL format requirements.

The program narrative must address the following selection criteria: (1) statement of the problem, (2) performance measures requirements, (3) project/program design and implementation, and (4) capabilities/competencies. The connections between and among each of these sections must be clearly delineated. For example, the goals and objectives must derive directly from the problems to be addressed. Similarly, the project design section must clearly explain how the program’s structure and activities will accomplish the goals and objectives identified in the previous section.

- Statement of the Problem

Applicants must briefly describe the nature and scope of the problem that the program will address (e.g., gang activity, underage drinking, drug abuse, truancy, youth employment, school performance, etc.). Data should be used to provide evidence that the problem exists, demonstrate the size and scope of the problem, and document the effects of the problem on the target population and the larger community. Applicants should describe any previous or current attempts to address the problem.

Applicants should describe any research or evaluation studies that relate to the problem and contribute to the applicant’s understanding of its causes and potential solutions. While applicants are expected to review the research literature for relevant studies, they should also explore whether unpublished local sources of research or evaluation data are available.

Project Abstract. A project abstract must be included as the first page of the Program Narrative, and is included in the page limitation specified above. It must not exceed 200 words and briefly describe the project’s purpose, identify the population to be served, and summarize the activities that will be implemented to achieve the project’s goals and objectives. These goals and objectives must focus on short-term and intermediate outcomes (see “Performance Measures Requirements,” below). The abstract must describe how progress towards these goals will be measured.
• Performance Measures Requirements

Applicants must describe the goals of the proposed program and identify its objectives. When formulating the program’s goals and objectives, applicants must be cognizant of the performance measures that will be required of successful applicants.

**Goals.** Applicants must describe the program’s intent to change, reduce, or eliminate the problem noted in the previous section and outline the project’s goals.

**Program Objectives.** Applicants must explain how the program will accomplish its goals. Objectives are specific, quantifiable statements of the project’s desired results. They must be clearly linked to the problem identified in the preceding section and measurable.

**Performance Measures.** Award recipients are required to report data in support of mandated performance measures for this solicitation (see “Performance Measures,” page 7) Applicants must describe the steps they will take to assemble the information needed to comply with OJJDP’s performance measures reporting requirements. Award recipients will be encouraged to use information from existing program records to fulfill performance measures reporting requirements, rather than initiating new data collection activities for this purpose. To ensure confidentiality of program records, award recipients will also be required to submit a completed Privacy Certificate post-award. (See www.ojjdp.ncjrs.gov/grantees/pm/faq.html for more information).

• Program Design and Implementation

Applicants must detail how the project will operate throughout the funding period and describe the strategies that will be used to achieve the goals and objectives identified in the previous section. Applicants are encouraged to select evidence-based practices for their programs and adopt a project design that will facilitate the gathering of data on the required performance measures.

This section should also include details regarding any leveraged resources (cash or in-kind) from local sources to support the project and discuss plans for sustainability beyond the grant period.

Applicants should identify any other federal, state, or private foundation grants that serve the same local area and target population.

**Logic Model.** Applicants must include a logic model that graphically illustrates how the performance measures are related to the project’s problems, goals, objectives, and design. Sample logic models are available at ojjdp.ncjrs.gov/grantees/performance.html. The logic model must be submitted as a separate attachment, as stipulated in “Other Attachments,” page 14.

**Timeline.** Applicants must submit a timeline or milestone chart that indicates major tasks, assigns responsibility for each, and plots completion of each task by month or quarter for the duration of the award, using “Year 1,” “Month 1,” “Quarter 1,” etc., not calendar dates (see “Sample Project Timelines” at ojjdp.ncjrs.gov/grantees/timelines.html). The timeline must be submitted as a separate attachment, as stipulated in “Other Attachments,” page 14.
of an award, the timeline may be revised based on training and technical assistance provided by OJJDP.

- **Capabilities/Competencies**

Applicants must describe the roles and responsibilities of project staff and explain the program’s organizational structure and operations.

This section of the program narrative must describe how the project will be managed and staffed locally. Management and staffing patterns must be clearly and evidently connected to the project design described in the previous section. This section must describe the experience and capability of the applicant’s organization and any contractors that will be used to effectively implement and manage this effort and its associated federal funding, highlighting any previous experience implementing projects of similar design or magnitude.

**Letters of Support/Memorandums of Understanding.** If submitting a joint application, as described under “Eligibility,” page 3, applicants must provide signed and dated letters of support or Memorandums of Understanding for all key partners that include the following:

- expression of support for the program and a statement of willingness to participate and collaborate with it.
- description of the partner’s current role and responsibilities in the planning process and expected responsibilities when the program is operational.
- estimate of the percent of time that the partner will devote to the planning and operation of the project.

**Budget and Budget Narrative**

Applicants must provide a budget that: (1) is complete, allowable, and cost effective in relation to the proposed activities; (2) shows the cost calculations demonstrating how the applicant arrived at the total amount requested; and (3) provides a brief supporting narrative to link costs with project activities.

- **Budget Detail Worksheet**

The worksheet must provide the detailed computation for each budget line item, listing the cost of each item and showing how it was calculated. For example, costs for personnel must show the annual salary rate and the percentage of time devoted to the project for each employee paid through grant funds. The budget detail worksheet must present a complete and detailed itemization of all proposed costs.

A sample budget detail worksheet can be found at www.ojp.gov/funding/forms/budget_detail.pdf. If the applicant submits a different format, it must include the budget categories as listed in the sample worksheet.

- **Budget Narrative**
The budget narrative must describe each budget item and relate it to the appropriate project activity. It must closely follow the content of the budget detail worksheet and provide justification for all proposed costs listed in the budget detail worksheet (particularly supplies, travel, and equipment) and demonstrate that they are reasonable. In the budget narrative, the applicant must explain how fringe benefits were calculated, how travel costs were estimated, why particular items of equipment or supplies must be purchased, and how overhead or indirect costs (if applicable) were calculated.

Consult the OJP Financial Guide for questions pertaining to budget including allowable and unallowable costs at www.ojp.gov/financialguide/index.htm.

Indirect Cost Rate Agreement

Applicants that would like to establish a federally negotiated indirect cost rate must submit a proposal to their cognizant federal agency. Generally, the cognizant federal agency is the agency that provides the preponderance of direct federal funding. This can be determined by reviewing an organization’s schedule of federal financial assistance. If DOJ is your cognizant federal agency, obtain information needed to submit an indirect cost rate proposal at http://www.ojp.usdoj.gov/funding/pdfs/indirect_costs.pdf.

Accounting System and Financial Capability Questionnaire

First time applicants to and applicants that have not previously received funding from OJP that are private organizations (i.e. non-profit, for-profit, faith based organizations) should also submit a completed Accounting System and Financial Capability Questionnaire and financial statements. This requirement only applies to non-governmental applicants that have not received awards from OJP within the past 3 years. Government (state or local) agencies do not need to complete the questionnaire. Obtain the questionnaire at: http://www.ojp.gov/funding/forms/financial_capability.pdf

Consult the OJP Financial Guide for questions pertaining to budget including allowable and unallowable costs at www.ojp.gov/financialguide/index.htm.

Plan for Collecting the Data Required for Performance Measures. (See "Performance Measures," page 7)

Tribal Authorizing Resolution

If an application is being submitted by either (1) a tribe or tribal organization, or (2) by a third party proposing to provide direct services or assistance to residents on tribal lands, then a current authorizing resolution of the governing body of the tribal entity or other enactment of the tribal council or comparable governing body authorizing the inclusion of the tribe or tribal organization and its residents must be included with the application. In those instances when an organization or consortium of tribes proposes to apply for a grant on behalf of a tribe or multiple specific tribes, then the application must include a resolution from all tribes that will be included as a part of the services/assistance provided under the grant.
Tribal Authorizing Resolution

If an applicant is unable to obtain a signed copy of a tribal resolution documenting support for its application, then, at a minimum, the applicant must submit an unsigned, draft tribal resolution as part of its application. If an applicant fails to submit either a signed or an unsigned copy of a tribal resolution as part of its application, then it will be eliminated from funding consideration. If selected for funding, any applicant that has submitted an unsigned tribal resolution must submit the signed copy of the tribal resolution to OJP within 30 days of acceptance of the award. In all such cases, use of and access to funds will be contingent on receipt of the signed tribal resolution.

Other Attachments

Applicants must submit the following information, as stipulated in the cited pages, as attachments to their application.

- logic model (see “Logic Model,” page 12).
- timeline or milestone chart (see “Timeline,” page 12).
- résumés of all key personnel.
- job descriptions outlining roles and responsibilities for all key positions.
- letters of support/commitment and memorandums of understanding (MOUs) from partner organizations.

2. Performance Measures Requirements (15 points)
3. Project/Program Design and Implementation (40 points)
4. Capabilities/Competencies (20 points)
5. Budget (15 points)

See “Program Narrative,” page 10, for detailed descriptions of the above criteria.

Review Process

OJP is committed to ensuring a fair and open process for awarding grants. OJJDP reviews the application to make sure that the information presented is reasonable, understandable, measurable, and achievable, as well as consistent with basic minimum program or legislative requirements as stated in the solicitation (including, but not limited to, requirements as to timeliness, proper format, and responsiveness to the scope of the solicitation).

Peer reviewers will be reviewing the applications submitted under this solicitation that meet basic minimum requirements. OJJDP may use either internal peer reviewers, external peer reviewers, or a combination to review the applications under this solicitation. An external peer
reviewer is an expert in the field of the subject matter of a given solicitation who is NOT a current U.S. Department of Justice employee. An internal reviewer is a current U.S. Department of Justice employee who is well-versed or has expertise in the subject matter of this solicitation. Eligible applications will be evaluated, scored, and rated by a peer review panel. Peer reviewers’ ratings and any resulting recommendations are advisory only. In addition to peer review ratings, considerations for award recommendations and decisions may include, but are not limited to, underserved populations, strategic priorities, past performance, and available funding.

The Office of the Chief Financial Officer (OCFO), in consultation with OJJDP, conducts a financial review of applications for potential discretionary awards and cooperative agreements to evaluate the fiscal integrity and financial capability of applicants; examines proposed costs to determine if the budget and budget narrative accurately explain project costs; and determines whether costs are reasonable, necessary, and allowable under applicable federal cost principles and agency regulations.
