IMPORTANT INSTRUCTIONS

The following items ask you to use your records to provide counts of persons who had assigned beds in this facility at the end of the day on **Wednesday, October 25, 2023**. OFFENSE CODES

Census of Juveniles in Residential Placement

These Offense Codes are divided into two main categories: (1) offenses for both underage persons and for adults, and (2) possible offenses for underage persons only. Information on these codes may make it easier for you to classify persons placed in the facility because of an offense.

In Section II, question 7, you are again referred to these offense codes. There, you are asked to match each young person's offense to the category and type of offense listed below. Note the two-digit code number, and write that number in Section II, question 7, on the line for that person. Please record the most serious offense for which this person had an assigned bed here on October 25, 2023.

Attempted offenses should be coded as if they were actual offenses, except for attempted murder which should be coded as 20 (assault, aggravated).
